Position of Responsibility

- **Director of curriculum planning unit of Education Development Centre, Lorestan University of Medical Sciences, Iran 2022**

- **Advisor to the vice chancellor of University in exam security, Lorestan University of Medical Sciences, Iran 2022**

- **Assistant professor of:**
 - *Education Development Centre, Lorestan University of Medical Sciences, Iran 2022*
 - *Medical education department 2022*
 - *Critical Care and Emergency department, Faculty of nursing and midwifery, Lorestan University of Medical Sciences, Iran 2013 up to now*
 - *Social Determinants of Health Research Center, Lorestan University of Medical Science, Iran 2016-up to now*

Education

- **Fellowship in electronic learning 2022**

- **PhD, Nursing, Tarbiat Modares University, Tehran, Iran, 2007-2013**

Thesis Title: Analysis and development of Paterson's and Zderad's humanistic nursing theory (**outstanding**)

Thesis Details:

Supervisor: Professor Easa Mohammadi (Tarbiat Modares University, Tehran, Iran)

Advisors: Dr. Zohreh Vanaki (Tarbiat Modares University, Tehran, Iran)

Dr. Suzan kleiman ([City University of New York](#))

➤ **MSc, Nursing (Medical Surgical), Isfahan Medical University, Isfahan, Iran, 2001-2004**

Thesis Title: The experiences of hospitalized elderly patients' family caregivers (20 out of 20)

Thesis Details:

Supervisor: Professor. Heidar Ali Abedi (Isfahan Medical University, Isfahan, Iran)

Advisors: Reza Daryabeigi & Professor. Nasrolah Alimohamadi (Isfahan Medical University, Isfahan, Iran)

Awards & Honors

- Appreciated researcher by Lorestan University of Medical Sciences 2017
- Letter of appreciation by Vice Dean of Lorestan University of Medical Sciences for idea of establishing the first scientific student association 2017
- Letter of appreciation by Dean of Lorestan University of Medical Sciences for directing establishing Master of Science in medical surgical nursing program 2016
- Appreciated researcher by Lorestan University of Medical Sciences 2016
- Appreciated researcher in sector of quarter 1 articles by Lorestan University of Medical Sciences 2016
- First top student in PhD comprehensive exam 2009
- Full scholarship by Lorestan University of Medical Sciences 2008-2013
- First top student in PhD entrance 2007
- First top student in BSN 1998

Scientific position:

Assistant professor:

- Faculty of nursing and midwifery, Lorestan University of Medical Sciences, Iran 2013-up to now
- Social Determinants of Health Research Center, Lorestan University of Medical Sciences, Iran 2016-up to now

Lecturer:

- Faculty of nursing and midwifery, Arak University of Medical Sciences, Iran 2005-2007

Executive position in research sector

- Member of Committee of Codification for Research, Lorestan University of Medical Sciences, Iran, 2020.
- Head of Scientometrics Department, Lorestan University of Medical Sciences, Iran, 2018.
- Member of committee of knowledge translation, Lorestan University of Medical Sciences, Iran, 2018.
- Member of strategic committee of identifying research priority, nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2017.
- Member of the Expert Committee for Research Evaluation and Promotion of the Faculty Members, Lorestan University of Medical Sciences, Iran, 2017.
- Scientific secretary of the Research Council of nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2017.
- Member of Committee of Policy Making in Research, Lorestan University of Medical Sciences, Iran, 2015-2017.
- Member of Committee of Codification for Research, Lorestan University of Medical Sciences, Iran, 2015.
- Member of the Financial Research Committee of nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2017.
- Member of Scientific Committee of 14th congress of Iranian society of medical oncology and hematology Mashhad, Iran, 2015.
- Member of research council of Lorestan university of Medical Sciences, Iran, 2014-2017.
- Vice - Dean for Research of nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2014-2017.
- Director of setting up and Head of student research committee of nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2014-2015.
- Member of research council of nursing group, nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2016 up to now

- Member of research council of nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2013 up to now

Executive Position in education sector

- Establishment and setting of the post graduate programs in nursing and midwifery:
 - *Participation in the establishment and setting of the Master of Midwifery program, Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences, Iran, 2021.*
 - *Participation in the establishment and setting of the Master of Community Health Nursing program, Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences, Iran, 2021.*
 - *Participation in the establishment and setting of the Master of pediatric nursing program, Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences, Iran, 2017.*
 - *Director of the establishment and setting of the Master of elderly nursing program, Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences, Iran, 2017.*
 - *Director of the establishment and setting of the PhD in nursing, Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences, Iran, 2017.*
 - *Director of the establishment and setting of the Master of Medical Surgical Nursing program, Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences, Iran, 2014.*
 - *Director of setting up new programs (post graduate programs) in nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2013 to 2017.*
- ***Other***
 - Successor to dean of university in supervisory council of scientific associations of students, Lorestan University of Medical Sciences, Iran, 2019.
 - Member of the committee of accreditation of nursing baccalaureate curriculum, nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2019.
 - Member of the committee for the purpose and mission of the faculty of nursing and midwifery, Lorestan University of Medical Sciences, Iran, 2018.
 - Member of the committee of professional ethics instructors, Lorestan University of Medical Sciences, Iran, 2018.
 - Member of the Ethics Committee of the Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences, Iran, 2017.
 - Member of the committee of formulation of the Graduate programs Regulation, Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences, Iran, 2017.

- Member of the Committee for the review and evaluation of curriculum of master of critical care nursing and master of medical surgical nursing, Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences, Iran, 2017.
- Member of the accreditation committee (internal evaluation) of the master of critical care nursing, Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences, Iran, 2017.
- Member of the Committee of Research in Education, Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences, Iran, 2017.
- Member of the Committee of Scientific Excellence and Foresight, Lorestan University of Medical Sciences, Iran, 2017.
- Member of the Process Monitoring and Improvement Committee of the Faculty of Nursing and Midwifery, 2017.
- Member of the Structure Monitoring and Improvement Committee of the Faculty of Nursing and Midwifery, 2017.
- Member of the Board of Conducting PhD in nursing exam, 2016.
- Member of Committee of International Relation of Iranian Nursing Organization 2015.
- Member of strategic planning committee in nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2014.
- Director of setting up and Head of scientific association of nursing student of nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2014-2017.
- Member of educational council of nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2013-2016.
- Member of postgraduate council of nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2013 up to now.
- Member of quality improvement committee of fundamental of nursing, nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, 2013 up to now
- Member of committee of nursing ethics of Iranian Scientific Association of Nursing 2011-2012.

Clinical experiences:

- Clinical nurse in ICU 2000-2001
- Clinical nurse in Emergency Department 1999

Funded Research Projects

➤ **National grant**

1. Improvement of theoretical - practical understanding and ethical attitude of emergency nurses to CPR: a knowledge translation project

National grant by National Agency For Strategic Research In Medical Education Nasr Iran

Main researcher

2021

2. Development, implementation and evaluation of community-based self-care Service-learning program in elderly chronic diseases: simultaneous learning with service delivery

National grant by National Agency for Strategic Research in Medical Education NASR Iran

CO researcher

2021

3. Designing a model of internal and external interaction in higher education in Lorestan university of medical sciences

National grant by National Agency for Strategic Research in Medical Education NASR Iran

CO researcher

2018

➤ ***Other***

1. End of life humanistic care in critical care units: A directed content analysis

Vice-Dean Research of Lorestan University of Medical Sciences

Main researcher

2022

2. The effect of hybrid humanistic telecare on adherence to treatment in women with

HIV/AIDS: A randomized clinical trial

Vice-Dean Research of Lorestan University of Medical Sciences

Main researcher

2022

3. Concerns of Health Care Workers in COVID19: Scale Development and cross-sectional study (End)
Vice-Dean Research of Lorestan University of Medical Sciences
CO researcher
2021

4. The effect of knowledge brokering on empathy with cardiac patients: a mix method study (End)
Vice-Dean Research of Lorestan University of Medical Sciences
Main researcher
2018

5. Translation and cultural adaptation of Caring Interaction Scale (Nurse, patient and family versions)
Vice-Dean Research of Lorestan University of Medical Sciences
Main researcher
2018

6. Translation and cultural adaptation of Empathy Rating Scale (End)
Vice-Dean Research of Lorestan University of Medical Sciences
Main researcher
2018

7. Cancer patients' needs of care and how to respond to them after discharge based on Humanistic Nursing Theory of unsparing response to situation (End)
Vice-Dean Research of Lorestan University of Medical Sciences
Main researcher
2017

8. Phenomenologic nursing: humanistic nursing in critical care units (End)

Vice-Dean Research of Lorestan University of Medical Sciences

Main researcher

2017

9. Assessing patients' privacy observation in emergency department: A mix method study (End)

Vice-Dean Research of Lorestan University of Medical Sciences

Co researcher

2017

10. Outcomes of humanistic nursing in critical care units: A qualitative study (End)

Vice-Dean Research of Lorestan University of Medical Sciences

CO researcher

2017

11. Assessment of accuracy of capnography and auscultation to ensure correct nasogastric tube insertion in patients with low consciousness (End)

Vice-Dean Research of Lorestan University of Medical Sciences

Main researcher

2016

12. The effect of two levels of PEEP on lung complications after CABG

Vice-Dean Research of Lorestan University of Medical Sciences (End)

Main researcher

2015

13. Comparison of nurses and elderly patients' perceptions of caring behaviors in critical care units (End)

Vice-Dean Research of Lorestan University of Medical Sciences

Main researcher

2014

14. Comparison of clinical nurses and doctors attitudes toward patient education, benefits, barriers and facilitating factors (End)

Vice-Dean Research of Arak University of Medical Sciences

Main researcher

2002

15. Breast cancer 2005: a phenomenological study of breast cancer (End)

Vice-Dean Research of Arak University of Medical Sciences

Main researcher

2002

Supervisor (MS students) *

1. Ali Sayadi, MSc Student, translation and cultural adaptation of Caring Interaction Scale in acute setting (FamilyVersion) 2022 (Approved and **funded** by Vice-Dean Research of Lorestan University of Medical Sciences).
2. Arefeh Mosavi, MSc Student, translation and cultural adaptation of Caring Interaction Scale in emergency department (Patient Version) 2022 (Approved and **funded** by Vice-Dean Research of Lorestan University of Medical Sciences).
3. Masomeh Mohamadi, MSc student, Nurses' experiences of humanistic nursing in Covid19 area: A directed qualitative research based on theory of "Dynamic Redefinition Of Nursing" 2022 (Approved and **funded** by Vice-Dean Research of Lorestan University of Medical Sciences).
4. Azadeh saidi, MSc student, Humanistic care of end of life patients in critical care unite: A directed qualitative research based on theory of "Dynamic redefinition of nursing"2022 (Approved and **funded** by Vice-Dean Research of Lorestan University of Medical Sciences).
5. Nasim Saidi, MSc student, The effect of hybrid humanistic telecare on adherence to treatment in women with HIV/AIDS: A randomized clinical trial 2022 (Approved and **funded** y Vice-Dean Research of Lorestan University of Medical Sciences)
6. Zainab Yousefi, MSc student, The effect of humanistic care on comfort in breast cancer patient undergo radiotherapy: A randomized clinical trial 2021(approved by Vice-Dean Research of Lorestan University of Medical Sciences) (End)

* Several theses of the students received fund, so they also have been mentioned in "funded research projects" part.

7. Fatemeh Malasad, MSc student, Effect of humanistic care (based on Jean Watson model) on anxiety and despair in candidates for coronary angiography: A randomized control trial 2018 (approved by Vice-Dean Research of Lorestan University of Medical Sciences). (End)
8. Atefeh Galedarifard, MSc student, the effect of knowledge brokering on empathy with cardiac patients: a randomized control trial 2018 (Approved and **funded** by Vice-Dean Research of Lorestan University of Medical Sciences). (End)
9. Nahid Mohamadi, MSc Student, translation and cultural adaptation of Caring Interaction Scale (Nurse Version) 2018 (Approved and **funded** by Vice-Dean Research of Lorestan University of Medical Sciences). (End)
10. Maryam Babee, MSc Student, translation and cultural adaptation of Empathy Rating Scale, 2018 (Approved and **funded** By Vice-Dean Research of Lorestan University of Medical Sciences). (End)
11. Mansoreh Roentan, MSc student, Cancer patients' needs of care and how to respond to them after discharge based on Humanistic Nursing Theory of unsparing response to situation 2017 (approved and **funded** by Vice-Dean Research of Lorestan University of Medical Sciences). (End)
12. Somayeh Mohammadi, MSc student, Phenomenologic nursing: humanistic nursing in critical care units, 2016 (Approved and **funded** by Vice-Dean Research of Lorestan University of Medical Sciences). (End)
13. Mehdi Rahimi, MSc student, Assessment of accuracy of capnography and auscultation to ensure correct nasogastric tube insertion in patients with low consciousness 2015 (Approved and **funded** by Vice-Dean Research of Lorestan University of Medical Sciences). (End)
14. Mojtaba Tahery MSc, Help seeking experiences of myocardial infarction patients, 2015. (End)
15. Behzad Moradi MSc, The effect of two levels of PEEP on lung complications after CABG 2014 (Approved and **funded** by Vice-Dean Research of Lorestan University of Medical Sciences). (End)
16. Seid Ehsan Asadi MSc, Comparison of nurses and elderly patients' perceptions of caring behaviors in critical care units 2013 (Approved and **funded** by Vice-Dean Research of Lorestan University of Medical Sciences). (End)

Advisor (4Phd candidates and 2MS students)

1. Neda Azimi, MSc, Translation and psychometry of caring behavior inventory 24 items, Urmia University of Medical Sciences 2019- 2021. (End)

2. Soada Mihandost, PhD candidate, Exploration of the process of Father Participation in caring for Children with Autism: A Grounded Theory Study, Urmia University of Medical Sciences 2019. (End)
3. Fatemeh Hasandost, PhD candidate, 2018, Improvement of Humanistic Caring in Intensive Care Unit: An Action Research Study, Tarbiat Modares University 2018. (End)
4. Fakhredin Taghinehad, PhD candidate, Designing and validation of a questionnaire for assessment of nurse's humanistic caring in intensive care setting, Urmia University Of Medical Sciences 2018. (End)
5. Hadis Kogani, MSc student, Improvement the privacy of patients admitted to the emergency Department: participatory action research 2015-2019. (End)
6. Mahnaz Shafakhah, PhD candidate of nursing, nursing and midwifery faculty of Shiraz medical university, The process of professional values formation: a grounded theory study 2014-2017. (End)
