Education

❖ Specialty/PhD (Field of Study, Name of University, Year Graduated)

❖ **Ph.D. in Nursing (2009-2012)**

Thesis (Topic, Supervisor, Advisor)

Improve the quality of nursing care in cardiac units: A participatory action research

❖ Master of Science (Field of Study, Name of University, Year Graduated)

❖ **M.Sc. in Medical-Surgical Nursing, Administration and Education (1992-1995)**

Thesis (Topic, Supervisor, Advisor)

Comparison of the effects of EPC plus heparin in the prevention of DVT in major abdominal surgery

❖ Bachelor of science (Field of Study, Name of University, Year Graduated)

❖ **B.Sc. in Nursing (1988-1992)**

❖ Related degree (Field of Study, Name of University, Year Graduated)

Honors, Awards, and Scholarships (if available)

- Achieving the rank of the top ten effective researches in the country 2021
- Achieving the first rank of the healthcare region and the seventh rank of the country in the package of professional ethics promotion package from the packages of the Education Transformation Plan 2021 (responsible for the package)
- Achieving the sixth national rank of the University of Ethics (Secretary of the University Ethics Council)2021
- Achieving the top rank of the educational scholarship project of Shahid Motahari Festival at the university level in 2020, 2021
- The best teacher of Lorestan University of Medical Sciences in 1999-2000, 2000-2001, 2007-2008 and 2013-2014 .
- The best researcher of Lorestan University of Medical Sciences in in 2000-2001, 2014-2015, 2016-2017 and 2017-2018.

Experiences

1. Scientific position

- Full-time faculty member (since 1995)
- Full professor: Faculty of nursing and midwifery, Lorestan University of Medical Sciences, Iran (since 2022)
- Associate professor: Faculty of nursing and midwifery, Lorestan University of Medical Sciences, Iran (since 2017)
- Assistant professor: Faculty of nursing and midwifery, Lorestan University of Medical Sciences, Iran (2012- 2016)
- Lecturer: Faculty of nursing and midwifery, Lorestan University of Medical Sciences, Iran (1995-2012)

- Member of the Ethics Council of Lorestan University of Medical Sciences(since 2017)
- Member of the Ethics in the research Committee of Lorestan University of Medical Sciences(since 2016)
- Member of educational council of Lorestan University of Medical Sciences, Iran, (2002-2009 and since 2015)
- Member of research council of nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran (since 1996)
- Member of educational council of nursing and midwifery faculty, Lorestan University of Medical Sciences, Iran, (since 1996)
- Member of research council of Lorestan University of Medical Sciences, Iran (2002-2004)

2. Clinical Experiences

3. Teaching Experiences

- Undergraduate: medical-surgical nursing(Skin & Burn,...), critical care nursing, nursing ethics, Nursing management, Assessment of health status
- Postgraduate: Nursing care in organ transplantation, Introduction to Critical Care Nursing , traumatology, Nursing management, cardiac Nursing, research methodology

4. Executive position

- Dean of Nursing and Midwifery faculty (2002-2009 and 2015-**2022**)
- Member of the audit committee of the university since 1400
- Member of the selected and specialized committee for the promotion of academic staff members since 2019
- Setting up 7 master's courses
- Member of the founding board of Iran Nursing Oncology Association
- Head of Nursing Department (2000-2002)
- Member of the nursing board of group A since 2017
- Member of the selected and specialized committee for promotion of faculty members 2020-2021
- Member of the founding board of the Iranian Nursing Oncology Association
- Launching 7 master's courses
- Member of the National Committee for Reviewing Nursing Education Programs since 2021
- Launching and being a member of the Nursing Professional Competence Test Committee of the relevant ministry since 2018
- Member of the National Nursing Research Network of the country, member of the Research Council and Network Technology Working Group since 2021
- Responsible for the professional ethics promotion package of the university since 2016
- Responsible for land management package 2016
- Responsible for graduate studies in the faculty from 2011 to 2013
- Head of Master of Special Nursing 2008
- Professor of Academic Guidance for Master's students since 2010
- Representative of the Evaluation Council of the Ministry of Health (Office for Supervision of Free Universities) since 2014
- Editor-in-Chief of Aflak Quarterly of the School of Nursing and Midwifery, 2005
- Member of the editorial board of Aflak Quarterly of the School of Nursing and Midwifery since 2005
- Member of Scientific Board of the fifth national congress of medical errors prevention, Lorestan University of Medical Sciences, Khorram Abad, Iran, 2016.
- Member of Scientific Board of the fourth national congress of medical errors prevention, Lorestan University of Medical Sciences, Khorram Abad, Iran, 2012.
- Member of Scientific Board of National Seminar on the Adoption of Health Services Based on Islamic Laws, Lorestan University of Medical Sciences, Khorram Abad, Iran, May. 11-12, 2012.

- Member of Scientific Board of the third national congress of medical errors prevention, Lorestan University of Medical Sciences, Khorram Abad, Iran, 2010.
- Member of Scientific Board of the national Congress of Traditional Medicine, complementary therapies and herbal medicines, Lorestan University of Medical Sciences, Khorram Abad, Iran, 2010
- Member of Scientific Board of the second national congress of medical errors prevention, Lorestan University of Medical Sciences, Khorram Abad, Iran, 2008.
- Member of Scientific Board of National Seminar of Nursing & Midwifery New Finding, Lorestan University of Medical Sciences, Khorram Abad, Iran, May. 2-3, 2007.
- Member of Scientific Board of the first national congress of medical errors prevention, Lorestan University of Medical Sciences, Khorram Abad, Iran, 2006.
- Member of Scientific Board of National Seminar of Chronic Illness, Lorestan University of Medical Sciences, Khorram Abad, Iran, March. 2-3, 2005.
- Executive Officer of national congress of Medical Emergency, Lorestan University of Medical Sciences, Khorram Abad, Iran, M ay. 13-14, 2003.
- Member of Scientific Board of National Congress of Medical Emergency, Lorestan University of Medical Sciences, Khorram Abad, Iran, May. 13-14, 2003.
- Member of Scientific Board of the Family Health Seminar, Lorestan University of Medical Sciences, Khorram Abad, Iran, Nov. 6-7, 2001.

Grants

- Improve the privacy of patients admitted to the hospital emergency Department Shahid Rahimi in Khorramabad (2017) (Thesis of Ms Student)
- The effect of flaxseed on blood pressure, serum cholesterol and BMI in hypertensive patients (2017) (Thesis of Ms Student)
- The effects of cool dialysate on adequacy and Common complications during hemodialysis(2017) (Thesis of Ms Student)
- The Fruits of Humanistic Nursing for Nurses in Critical Care Units(2015)
- Improve the quality control of ventilator associated pneumonia in (ICU) Imam Khomeini Hospital Kuhdasht City: A participatory action research,2015
- Quality improvement of nursing documentation in (CCU) using hospital information system (HIS) in Imam Khomeini hospital of Kuhdasht City in 2015
- The effects of educational programs and telephone follow-up on the quality of life (QOL) and life satisfaction in patients with acute coronary syndrome 2014
- The effect of the implementation of the rehabilitation program on quality of life, hope and depression levels in hemodialysis patients 2014
- The effect of hospital information system (HIS) on education to heart patients in

CCU 2013

- Effect of open and closed suction on Ventilator-associated Pneumonia and hemodynamic status in intensive care patients 2013
- Impact of sensory excitation performed by family members and nurses on the level of consciousness and vital signs in patients who are admitted to Intensive care unit: Clinical trial 2012
- Evaluation and functionality of patient's right view point from nurses in educational and medical hospitals of Lorestan University of Medical Sciences: Identification of barriers and provide strategies to accomplished 2011
- Educational needs of Faculty Members of Lorestan University of Medical Sciences by Triangulation Technique 2010
- A Comparative study of effect of Myrtus vaginal cream and Clotrimazol vaginal cream in the treatment of vaginal 2010
- The influence of a behavior modification interventional program on body mass index in obese adolescents 2009
- Comparison of the effect of olive leaf extract and Acyclovir in the treatment of Herpes 2010

Innovations and inventions

Design and Fabrication of Capsule Endoscopy

Supervisor

1. Adineh Mohammad, Khanid Hamidreza, Toulabi Tahereh (second guide), Ebrahimzadeh Farzad. Comparative study of the effect of sensory stimulation by family members and nurses on the level of consciousness of patients admitted to the ICU: Clinical trial 2012 (Defense 12/13/91)
2. Nasim Alipour, Tahereh Toulabi, Nahid Manouchehrian, Mojgan Mamani, Khatereh Anbari. The effect of open and closed suction on the incidence of ventilator-dependent pneumonia and hemodynamic status in patients admitted to the intensive care unit. (Winter Defense 2013)
3. Shirin Mohammadi, Tahereh Toulabi, Fatemeh Ghasemi, Khatereh Anbari. The effect of rehabilitation program on quality of life, level of hope and depression in hemodialysis patients (Defense Summer 2014)
4. Saeedeh Cheraghi, Tahereh Toulabi, Babak Baharvand, Ali Farhadi, The effect of telephone follow-up of educational programs on quality of life and satisfaction of patients with acute coronary syndrome (July 2015 defense)
5. Ameneh Ghobadian, Tahereh Toulabi, Mohammad Alami, Mohammad Javad Tarahi. Improving the quality of nursing reporting in the cardiac intensive care unit of Imam Khomeini Hospital in Kuhdasht using the hospital information system: Practical functional research (Summer Defense 2016)
6. Fereshteh Rashno, Tahereh Toulabi, Shirin Hassanvand, Mohammad Javad Tarahi. Improving the quality of ventilator-induced pneumonia control in the

- intensive care unit (ICU) of Imam Khomeini Hospital in Koohdasht: A participatory functional research (Autumn Defense 2016)
7. Zeinab Zamani Nia, Tahereh Toulabi, Kouros Zare. Nurses' experiences about the consequences of human nursing in intensive care units (Autumn Defense 2016)
 8. Masoumeh Yarahmadi, Tahereh Toulabi, Fatemeh Goodarzi, Iraj Salimi Kia, Farzad Ebrahimzadeh, Amir Momeni Zadeh, Sajjad Rousta. The effect of flaxseed on blood pressure, serum cholesterol and body mass of patients with hypertension
 9. Fatemeh Ahmadi, Tahereh Toulabi, Fatemeh Goodarzi, Iraj Salimi Kia, Farzad Ebrahimzadeh, Farshid Haghverdi. The effect of cold dialysis solution on the adequacy of hemodialysis and complications during dialysis of hemodialysis patients
 10. Hadith Kogani, Tahereh Toulabi, Mojgan Khademi, Fatemeh Janani, Fatemeh Ghasemi. Quality of Emergency Patient Privacy: A Participatory Functional Research
 11. Zahra Ahmadi Fajr, Tahereh Toulabi, Saeed Foroughi. The effect of group hope therapy on anxiety and adherence to hemodialysis patients.
 12. Elham Nasiri, Tahereh Toulabi, Nasrin Geledar, Fatemeh Mohammadipour, Khatereh Anbari. The effectiveness of educational intervention based on "Zinc" adaptation model on psychosocial adaptation of patients with permanent pessimism
 13. Fereshteh Allah Nouri, Tahereh Toulabi, Parasto Kurdistan Moghaddam, Khatereh Anbari. Iraj Salimi Kia. Evaluation of the effect of sumac fruit on lipid profile and BMI of patients 2022 (*MS thesis*)
 14. Nadia Khorami, Tahereh Toulabi, Sajjad Yarahmadi, Rasoul Mohammadi. The effect of sumac fruit on liver function tests, fasting blood sugar and common complications of hemodialysis in hemodialysis patients 2022 (*MS thesis*)
 15. Mandana Sheikh, Tahereh Toulabi, Parasto Kurdistan Moghaddam, Khatereh Anbari. The effect of sumac fruit on urea, uric acid levels and dialysis adequacy in hemodialysis patients, 2022 (*MS thesis*)
 16. Fatemeh Mehrabi, Tahereh Toulabi, Farahnaz Changai, Rasoul Mohammadi. The effect of olive leaf extract and curcumin on the improvement of clinical signs and symptoms and quality of life in patients with external anogenital warts. 2022 (*MS thesis*)
 17. Seyedeh Fatemeh Ghasemi, Akram Sadat Sadat Hosseini, Tahereh Toulabi (second guide). Improving the quality of maternal and neonatal health education for undergraduate students in the School of Nursing and Midwifery, Lorestan University of Medical Sciences: A participatory action research study (Tehran UMS), (*PhD thesis*)
 18. Farshad Taherpour, Tahereh Toulabi, Khadijeh Heydarizadeh, Tabasom Zavvari, Rasol Mohammadi. Evaluation of the relationship between triage of

Emergency Severity Index (ESI) and the outcome of hospitalized patients with Covid-19 in Shahid Rahimi educational and medical center in Khorramabad 2020-2021. Summer 2022(MS thesis)

19. Elham Ahmadpuor, Tahereh Toulabi, Sajad Yarahmadi, Rasool Mohammadi. The effect of olive leaf extract on clinical and laboratory outcomes of patients with covid-19, 2022(MS thesis)
20. Farhad Falah, Tahereh Toulabi, Mohammad Gholami, Rasol Mohammadi. The effect of Telehealth program on health literacy and self-care behaviors in patients with hypertension at risk of peripheral artery diseases, Autumn 2022(MS thesis)

Advisor
